Ref No. 88 F/36-2

Station Madras, Dated the 7th March 19 36.

From (Name) Dr. B. Sundara Raj, M.A., Ph.D.,
(Designation) Director of Fisheries,

To The Secretary to the Government of Madras,

DEVELOPMENT Department.

Sir,

Ref: (1) G.O.No. 814⁷⁵ Development dated 10th June 1935.
(2) Para (2) of G.O.No. 7 Development dated
3rd January 1936.

In G.O.No. 814 Miscellaneous Development dated 10th June 1935 the Government sanctioned the temporary retention of the Hosabettu fish curing yard with a staff of one Petty Yard Officer and one Peon for a period of one year from 1st April 1935 subject to the usual conditions regarding re-imbursement of loss and the execution of a bond agreeing to make good any loss in working the yard. The curers of the yard have fulfilled these conditions.

2. The present sanction for the retention of the yard will expire on 31st March 1936. From the statement herewith enclosed it will be seen that the yard has worked at a profit of Rs. 683-13-1 exclusive of cost of Petty Construction and Repairs during the period from 1st April 1935 to 31st January 1936. The yard has shown decided improvement owing to a good season, the consumption of salt for the ten months during the year being 1436 maunds 27 seers against 1120 maunds 3 seers during the period from 8th December 1933 to 31st March 1935. The Assistant Director (Coast) reports that the curers of the yard ~~xxxxxx~~ agree to bear the loss in working the yard during 1936-37 and to execute the bond. In the circumstances I have the honour to recommend the continuance of the yard for a further period of one year from 1st April 1936.

The security already deposited will be retained.

3. Necessary provision for the yard has been included in the Budget Estimate for 1936-37.

I have the honour to be,

Sir,

Your most obedient servant,

G. R. Nair
for Director of Fisheries.
